TECHNICAL BULLETIN - MAY 1993

057. Juvenile Chair-O-Planes

We attach the final agreed advice regarding "Safe Access to Juvenile Chair-O-Planes and Smilar Rides" published as an Health and Safety Executive information sheet.

Additionally, as agreed at the last meeting of the Joint Advisory Committe for Health and Safety in the Fairground Industy, please note that barriers should be included in a Thorough Examination even when they are not erected at the particular location at which the examination is carried out.
