SERVICE BULLETIN

Date: June 1, 1994

S.B. Number: 94-1 Sheet 1 of 2

Notice:

This bumper car unit, S/N _____ has been equipped with one bumper car that has an additional safety restraint. For the passenger, only, car number _____. The purpose for the additional safety is for the individuals who may require special restraint and safety. The Federal Government has no guidelines on who may or who may not safely participate on an amusement device that is physically challenged. Majestic Manufacturing cannot be responsible for the safety of individuals that go beyond the limitation and guidelines set forth by Majestic.

1. All riders must understand the concept of the bumper cars (they bump into each other).
2. No rider should ride this ride with a physical condition that would become aggravated, accelerated or compounded in any way due to the bumping action.
3. A supervisor must assist the customer in and out of the car and unit. Documentation must be kept on any and all riders that are physically challenged.
4. Riders must have consent or permission from their attending physician or caregiver stating they are capable of riding the bumper cars for what period of time. Only written statements with phone numbers will be recognized by Majestic.
5. Operator/owner must document the speed setting of the unit at the time of the rider involvement. A recommended speed setting of one (1), per Majestic.
6. All "drivers" of the bumper car must be mentally capable of understanding the safety rules established by Majestic Manufacturing and must not be under the influence of any "substance" that may impair their mental capabilities.

If you have any questions on factory standards or procedures on our equipment, contact Majestic Manufacturing, Inc. during normal business hours of 8:00 a.m. to 4:30 p.m. Monday through Friday, E.S.T. at 330/457-2447 or toll free at 1-888-MAJ-RIDE.
